11th April No service

18th April St Luke's
Evensong - with Anglican chant for the canticles and psalm.

25th April 3.00pm Church of the Good Shepherd, Cox Green
Join the Deaf Church at one of their regular services to experience the possibilities of worship, with signing for the deaf.

We are in the second year of working together between our three churches to provide Sunday evening worship opportunities. We offer a very varied 'menu' of services and it has proved an enriching time for those who have come along. Sometimes the numbers are not great, at other times we have attracted large congregations.

This term we offer worship appropriate to the season. We have another International Taizé Service when we will have worship in different languages, attracting people from far and wide who have come to appreciate these meditative services. There is also an opportunity to worship with the Deaf Church community - a service open to both hearing and deaf people.

If you are reading this leaflet and have not joined us so far, please feel very welcome to come along on any of the occasions: always

Sundays at 6
