**18th July All Saints**

**Compline and Meditation**

**25th July St Luke's**

**Prayer Walk beginning outside St Luke's Church**

We are in the second year of working together between our three churches to provide Sunday evening worship opportunities. We offer a very varied 'menu' of services and it has proved an enriching time for those who have come along. Sometimes the numbers are not great, at other times we have attracted large congregations.

This term we offer worship appropriate to the season. We have two Taizé Services when we will have worship in different languages, attracting people from far and wide who have come to appreciate these meditative services. There is also an opportunity to worship on a Prayer Walk.

If you are reading this leaflet and have not joined us so far, please feel very welcome to come along on any of the occasions: always
