Lent 2020

Easter is the oldest festival kept by the church and a time when many Christians were baptised. Lent was, at first, the time when candidates were prepared for baptism and tested by the bishop. Now it is a period of six and half weeks in which Christians can prepare for Easter by thinking about their faith more deeply and learning about it.

It recalls Jesus' forty days of temptation in the desert just before the start of his ministry. Often Christians give up a luxury or give some money to charity as an act of self discipline. Far more positive is do something extra during this time. This helps us to grow in our faith. This year we are particularly encouraged to engage with care for creation through the Live Lent booklets, available in church. The Archbishop of Canterbury's Lent book: 'Saying yes to God' by Ruth Valerio, also explores these themes.

As a church we will have three Lent Sunday Lunches at which we have simple soup, cheese and bread meals and give the money we have saved to Christian Aid. All ages are welcome.

All the synoptic gospels tell the story of Jesus' temptations. This year we are following Matthew's Gospel, see Matthew 4. 1-11. See also Luke 4.1-12 and Mark 1.9-15 for other accounts.

Lent course: Exploring God's mercy

The great mystery of the human condition and God's action to save us is too vast to be contained in a single image or one kind of language. The Bible uses a kaleidoscope of word pictures of human life and God's intervention in it.

Exploring God's Mercy focuses on five classic images of the Christian gospel which are woven through scripture and the Christian tradition: Lost and finding the way; Trapped and set free; Sick in soul and healed; In turmoil and being at peace; Barren and becoming fruitful.

Each chapter explores one of these images through stories, popular culture, biblical material and Christian tradition, supported by YouTube clips and further film suggestions.

Books available in church at £3 each.
